Reasons to join Lothian Life

Socialising: Membership to Lothian Life opens the door to recreational and sporting activities and fun days out with friends, colleagues and your family.

Enjoy a little friendly competition at inter-depot events and great days out. Inter-depot events are arranged on a regular basis.

Staying active: We hold a huge range of indoor and outdoor activities including: bowling, golf, darts, fishing, snooker, football & motorbike club.

Some of the sports on offer also see members representing Lothian Buses against players from other Scottish transport companies. There may also be an opportunity to compete in National competitions where the sport is played at that level.

Fully adopted and recognised sections are subsidised by Lothian Life to ensure participating costs are kept to a reasonable minimum.

If your particular interest or sport does not currently feature, why not consider setting up a section with like minded colleagues? Details are available via your Branch representatives or in the Constitution and Rules.

Family fun: Children of members are invited to join in the fun at our Summer outings and Christmas parties

Retirees: Our retired members are not forgotten! Provided you have been a member for ten or more years you are invited to join in the fun at the annual Summer outings & Christmas parties - offering the opportunity to catch up with former colleagues and friends and meet new faces.
