

Temporary Transfer-Competency

Thank you for assisting with customer and service reliability by agreeing to support an alternative depot.

Your safety and the safety of our customers is our top priority therefore it is really important you are confident that you can operate this service safely and in comfort.

Please check you are comfortable with the following:

- Familiar with route and potential hazard including low bridges.
- Familiar with vehicle, including height and door operations.
- When attending an alternative depot that you are familiar with the walkways, traffic & safety notices, H&S controls, parking and one-way systems that may be in place.
- Familiar with the radio/call procedure. Please STOP and contact control if unsure.

I confirm that I have read and understood the above statements and I am confident to support an alternative depot to assist in service reliability.
