

FIRE COORDINATOR CHECKLIST (Livingston)

ACTIONS WHEN FIRE ALARM IS ACTIVATED

- **Proceed to Fire panel** - Determine activation location from panel
- **Send person wearing Hi-Viz** to stop vehicles entering the covered garage
- **Go yourself or detail someone** to assess the situation e.g. is it a false alarm? If it's a fire, is it confined by fire resisting doors etc? (if sending someone tell them to report back quickly by telephone/in person).

IF A FIRE IS DETECTED OR SUSPECTED COMPLETE ALL STEPS BELOW	IF FALSE ALARM IS CONFIRMED COMPLETE STEPS BELOW
<ul style="list-style-type: none">• Call emergency services 999 (from a safe location) ask for 'FIRE' and provide the following:<ul style="list-style-type: none">- FULL ADDRESS <i>5 Nairn Road Deans Ind Est Livingston EH54 8AY</i>- BEST ENTRANCE <i>dependant of situation</i>- ANY DETAILS YOU HAVE AT THIS TIME <i>i.e. what is on fire etc.</i>• Take charge of staff assembly area at Top Car Park• Take verbal Fire Warden reports• If necessary, update emergency service on 999• Pass information to Senior Fire Officer upon arrival e.g. seat of fire/any areas not clear• Call Control: 0131 557 8766• Fire Drill report completed at earliest opportunity• If due to a fire, Fire Report Form to be sent to the H&S Manager at earliest opportunity	<ul style="list-style-type: none">• Silence sounders (procedure at bottom of page)• Take charge of staff assembly area Top Car Park• Take verbal Fire Warden reports• Allow staff to re-enter the building• Fire Drill report completed at earliest opportunity
