<b>Murrayfield Split Routes</b>													
<i>If you are unsure of the full-service route, you can tick the below to state you are familiar with the section of route described – please also ensure you are familiar with <b>accidents @ abons</b> along these split routes, including all current roadworks, diversions, known hazards and hotspots and low bridges.</i>													
25 Hermiston P&R – Balgreen						26 Eastfield – Drum Brae							
26 or 31 Princes Street – Drum Brae						26 or 31 Princes Street – Murrayfield							
30 Princes Street – Balgreen						31 Murrayfield - Bonnyrigg							

**Please always ensure you have full knowledge of all the routes you have ticked. This includes all Route Risk Assessments, current roadworks and diversions, known hazards and hotspots, common turning short options and locations of low bridges within the vicinity of the routes.**

All the above resources can be found by scanning the QR codes below as well as on the relevant Driver Information Notice available in all garages:
